

Health Access Connect

1. We must improve access to healthcare in remote areas.
2. Health Access Connect is totally unnecessary.

Distance is bad for your health.

What prevented you from going to the health facility?

74% of respondents listed the cost of transportation as the largest barrier.

Why does this matter?

To fight HIV, patients must stay on ART.

To improve infant and maternal mortality, mothers and babies must visit health workers.

Distance is bad for your health.

Health Access Connect

Link Ugandans living in remote areas with
healthcare resources

medicycles

Monthly or bimonthly one-day integrated
care outreach clinics in remote areas

Necessary Elements of an Outreach Clinic

\$20.25 – 30.00 TOTAL

EDDWALIRO CLINIC

This clinic is part of
Health Access Connect's MEDICYCLES program
It is a collaboration between:

Health Access Connect

The Republic of
Ministry of H

The community can
provide for these
costs

- \$0.55 per patient

- half for children

Achievements

35 Villages served

295 Outreach clinics

12,644 Patients served (44.2% male)

43.0 Patients/outreach

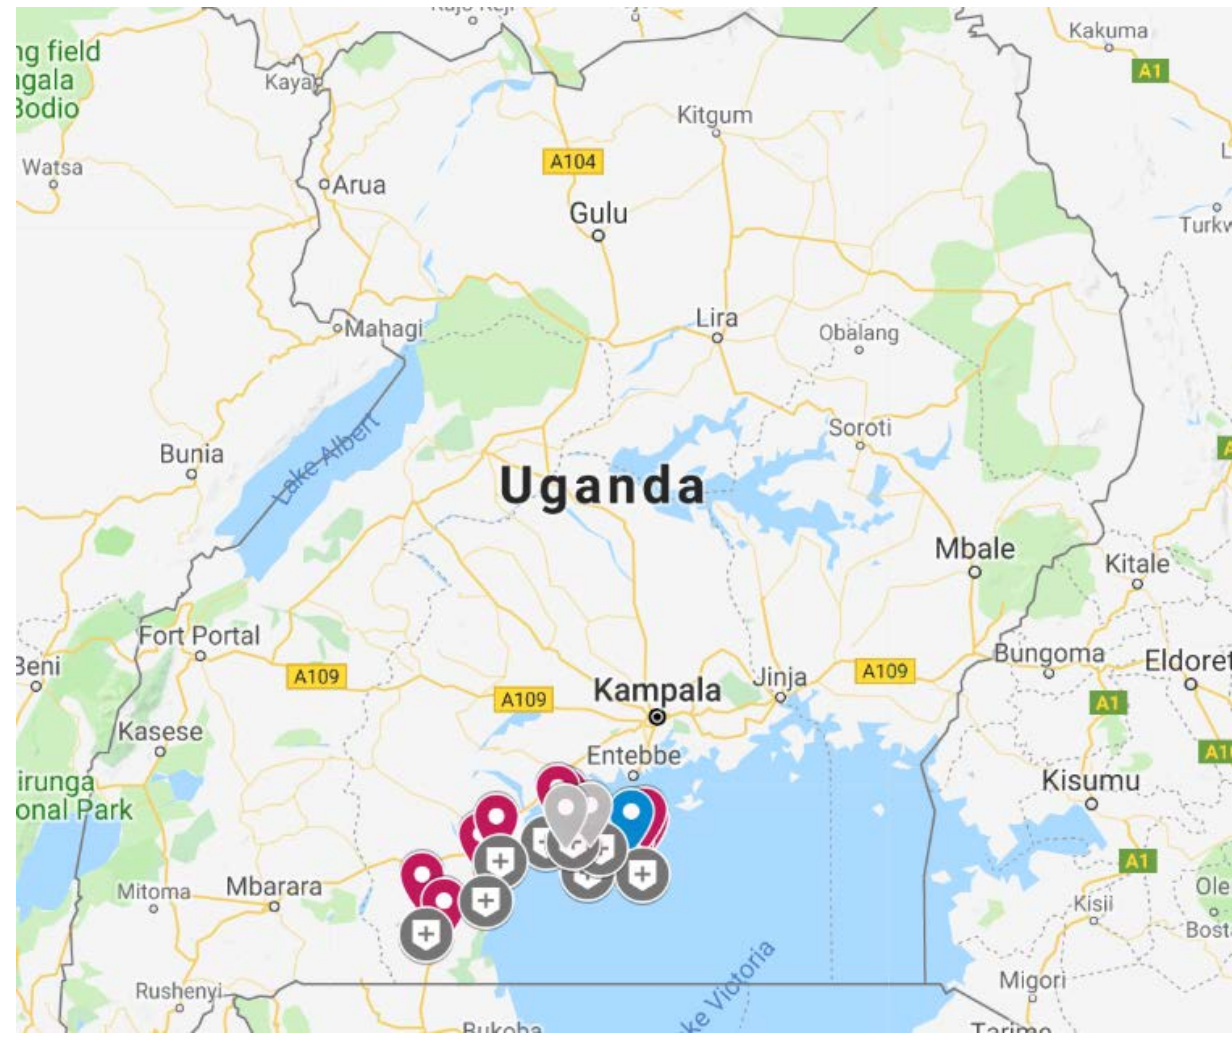

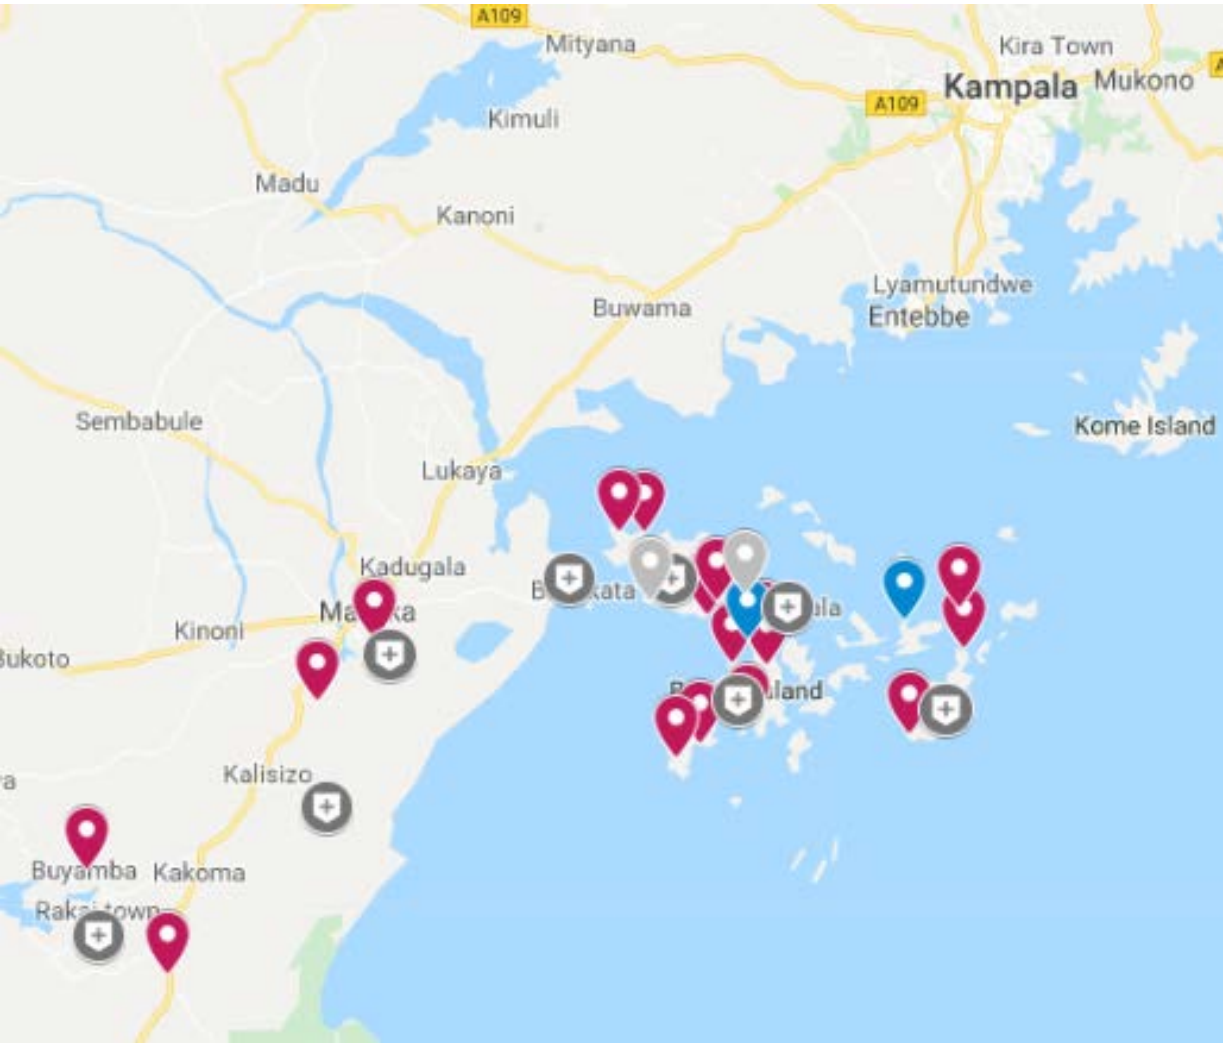

4,304 Given ART (46.0% male)

1,327 Given family planning

Annual Service Numbers and Expenditure

Year	Outreach Clinics	Villages	Patients	ART Patients	Expenses
2015	9	3	458	269	\$1,839
2016	20	6	1,073	518	\$2,952
2017	59	9	2,765	1,376	\$19,533
2018	137	30	5,629	1,536	\$34,720

Expand our network of villages

Our Vision

- **Build a network of remote villages in Uganda**
- **Use strategic partnerships to expand and improve services**
- **Global Impact: Document and share our model**

Necessary Elements of an Outreach Clinic

1. 2-4 health workers
2. Medicine & supplies
3. Means of transportation
4. Someone to mobilize patients
5. Money to cover these costs

Adapting the HAC Model

1. Focus on patient needs
2. Use existing transportation networks
3. Leverage local resources
4. Sustainability from day 1

1. We must improve access to healthcare in remote areas.
2. Health Access Connect is totally unnecessary.

A young girl with a bright smile is holding a white sign with blue text. The sign reads "I NOW HAVE ACCESS". She is wearing a white t-shirt with a blue and pink graphic. The background is a rustic wooden structure.

What we need

1. Money!
2. Names, contacts, introductions
3. Digital monitoring & dashboards
